ONTARIO SIRES STAKES

The Ontario Sires Stakes (OSS) program was established in 1974. The objective of the program is to promote the breeding of Standardbred horses in Ontario and provide economic incentives for breeders, owners and trainers to breed, buy and race horses in Ontario.

The OSS is part of the Standardbred (SIP) component of Ontario's Horse Improvement Program (HIP) which was established in 1968 and is currently administered by Ontario Racing.

The Ontario Sires Stakes program consists of a series of races for two and three-year-old trotters and pacers, held at racetracks across Ontario from May to October of each year.

The program is primarily funded through a levy imposed on wagering at the rate of 3% of total wagering by customers in Ontario (Home Market Area wagering). Funding also comes from the Funding Agreement, through the Horse Improvement Program allocation. Purses are further enhanced by stallion levies, nomination and sustaining payments, and starting fees.

ADMINISTRATION AND REGULATION

Ontario Racing serves as the Program Administrator for the Standardbred Improvement Program (SIP), which includes the OSS Program.

Since 2019, Ontario Racing has served as the representative voice of the province's horse racing industry. The organization, governed by a Board of Directors representing all facets of the industry, is responsible for directing breed improvement programs, setting an annual program of races and purses, attracting new owners, building the fan base and connecting the industry and the general public. Ontario Racing also works closely with the Ontario Lottery and Gaming (OLG) Corporation towards the integration of horse racing into OLG's gaming strategy.

The 2025 OSS program was developed by the SIP Committee, made up of representatives of the racing and breeding community, which is tasked with providing input and recommendations on Program components.

In 2025, the OSS offers three tiers of racing – Gold, Grassroots and Prospect Series'. Each tier offers

preliminary legs and finals for two- and three-year-old trotters and pacers. Complete descriptions of each series can be found on pages 16 to 21.

Ontario Racing, as Program Administrator, reserves the right, in its sole and absolute discretion, to make any adjustments, changes or cancellations to the OSS Program as deemed required. By participating in the OSS Program, participants acknowledge and agree that Ontario Racing will not be held liable for any costs associated with any changes to the OSS Program.

All OSS races shall be conducted in accordance with the Rules of Standardbred Racing and individual racetrack rules approved by the Alcohol and Gaming Commission of Ontario (AGCO). All participants are strongly advised to make themselves familiar with rules specifically related to the OSS.

RULE 11.02.01 (Qualifying Times)

If a horse meets the conditions of Rule 11.01.01 and 11.01.02 it will be considered qualified and eligible to be declared to added money event races provided that one of its last three charted lines is a clean line in a purse, qualifying or schooling race, not more than sixty (60) clear days before the closing of declarations and its individual time in that clean charted line meets the following standards for age and the size of the track where it raced or qualified after the Judges have given appropriate allowances for track conditions.

RULE 11.02.02 — Notwithstanding the provisions of 11.02.01, no horse shall be considered qualified and eligible to be declared to added money event races if that horse, since having obtained the clean charted line referred to in 11.02.01, is required to qualify in accordance with the rules, including Chapter 12 where applicable, or is on the Judges' List or is otherwise ineligible to race.

RULE 12.10.01 — A horse making a break in each of two consecutive races must qualify unless the breaks were equipment breaks or caused by interference.

RULE 12.10.02 — A horse making a break off a qualifier or its second consecutive break in a row in an elimination heat will be allowed to race in the final.

RULE 12.10.03 — Any horse that makes a break in stride on anything but a fast track, such as good, sloppy, snow, or heavy, shall be considered a clean line. Any horse charted with 3 consecutive breaks must qualify regardless of track condition.

RULE 12.10.04 — Any horse participating in a qualifier that is currently qualified shall not become ineligible to be entered in a subsequent race should it be charted with a break in the unnecessary qualifier.

RULE 16.24 The maximum size of fields permitted in any added money event shall be:

- a. For races which go in 1 division no more than 2 trailers;
- b. For races which go in more than 1 division a maximum of 1 trailer.

An Association may elect to go with less than the number of trailers specified in (a) above.

RULE 17.15 (a)(d) — If the horse omitted by error was declared to a stake, futurity, early closing event or late closing event, the race shall be re-drawn provided the error is discovered prior to the printing of the program.

OSS RACING CONDITIONS

Ontario Racing, as Program Administrator, reserves the right, in its sole and absolute discretion, to make any adjustments, changes or cancellations as deemed required. By participating in the OSS Program, the participants acknowledge and agree that Ontario Racing will not be held liable for any costs associated with any changes to the OSS Program.

All races shall be conducted at a distance of one mile and in accordance with the rules of the Alcohol and Gaming Commission of Ontario (AGCO). All participants are strongly advised to make themselves familiar with the rules. Complete Rules of Standardbred Racing can be found at

Eligibility & Rewards

In 2025, more than \$17 million will be available in rewards and purses through the Ontario Sires Stakes and Breeders' Reward programs.

To be eligible for participation in the Ontario Sires Stakes program, offspring of registered Ontario Sires must be nominated and sustained to the program (see inside back cover for key dates).

Registered Ontario Sires must be owned or leased by an Ontario resident and enrolled in the program by Jan. 15 of the breeding season. Late enrolments are accepted so long as the stallion has not bred any mares prior to enrolling. A total of \$100,000 in breeders' rewards will be distributed to the owners of leading Ontario Sires in 2025.

A total of \$2.53 million will be distributed in 2025 to breeders who enrolled their mares in the Ontario Resident Mare Program (ORMP) for the 2022 and 2023 foaling seasons. Those offspring earn the designation of Ontario Bred. The owner(s) or lessee(s) who enrolled the mare in the ORMP for that foaling year will receive the Ontario Bred Rewards.

For those mares enrolled in the ORMP program that produced Ontario Sired offspring, a total of \$2 million in breeders' rewards will be distributed on a pro rata basis according to their offspring's OSS earnings. An additional \$400,000 will be distributed to the breeders of the leading OSS performers who are Ontario Bred.

For those mares enrolled in the ORMP program whose offspring were either Ontario Sired or by sires standing outside Ontario, a total of \$130,000 will be distributed on a pro rata basis according to success in select open stake events, with an individual cap of 20% of the total available per horse.

Ontario Bred Rewards for OSS races are paid out in August and at the end of the year. Ontario Bred Rewards for open stakes are paid out at the end of the year.

For complete details about the breeders' rewards, please refer to the Standardbred Improvement Program Criteria Book at oss.ontarioracing.com.

For information about the Ontario Resident Mare Program please contact the Program Administrator at 416-576-6298 or ontariomare@ontarioracing.com
