

Standardbred Improvement Program Consultation Form

OVERVIEW

The Standardbred Improvement Program (SIP) committee is soliciting feedback from participants on the overall breeding program and the flagship Ontario Sires Stakes (OSS) program to determine if improvements can be made for the 50th anniversary season in 2024.

To ensure your voice is heard as the program moves into its second 50 years as an industry leader, please fill out the below form.

As you respond, please keep in mind the SIP's core mission of promoting the breeding of Standardbred horses in Ontario and providing economic incentives for breeders, owners and trainers to breed, buy and race in Ontario.

When complete, please save a copy of the form and email to ssnyder@ontarioracing.com or print and mail to Ontario Racing, P.O. Box 160, Campbellville, ON L0P 1B0.
